

# THRIVE TESTIMONIALS

*Don't just believe what we tell you, here's what our users have to say*

*It's no coincidence that since I have started using the App I have been calmer, able to deal with stressful situations better and sleeping better.*

*"My stress will go away almost immediately right after listening to the calm sounds that come thru the app on my phone."*

*"It allowed me to focus and relax my mind, especially when it can get hectic and I can overthink. It really allows you to de-stress and it a fantastic tool."*

*"It gave me daily exercises and tasks to specifically combat the negative thoughts surrounding my health concerns. You can follow the suggested daily activities or pick and choose your own. This is where Thrive is worth its money and more!"*

*Thrive suggests tasks for you to complete based on the questionnaire, whether it's exercises within the app or a physical activity like going for a walk. I love how intelligent this app is!*
